

ICE HARBOR AWARD WINNING BEERS

** IPA- A very well balanced and drinkable IPA. Lots of late addition kettle hops along with heavy dry hopping give this beer an assertive fruity flavor and aroma. This beer is delicately balance with a medium maltiness that compliments without detracting from your hoppy experience.*

OG 1.064 ABV 6.8% IBUs 60

** Dust Cloud IPA- Our version of a Hazy or Juicy IPA. Not all Juicy IPAs have to be hazy, and not all Hazy IPAs have to be juicy, as long as they taste great. Fruity flavors of Mango, Pineapple, Peach, and Orange Sherbert softly come across followed by a mild bitterness. A pleasant very drinkable IPA.*

ABV 7.1% IBUs 60

** Tangerine Hefeweizen- A golden unfiltered wheat beer with a taste of Tangerine.*

OG 1.048 ABV 5.1% IBUs 12

** Runaway Red- A rich full bodied amber ale with a delicate fruity flavor. The sweetness is carefully balanced with Cascade and Galaxy hops. The beer derives its color and caramel flavor from Crystal and Carastan malts. A delicious beer for the real beer drinker.*

OG 1.054 ABV 5.5% IBUs 27

** Maiden Washington Blonde- A 100% Washington malt and hops product. The only ingredients are Washington Select 2-Row Barley, American Noble Citra Hops, and yeast. It is a very nice light, clean ale with floral aromas of honeydew and light stonefruit. A VERY easy to drink "lawnmower" style beer.*

ABV 4.7% IBUs 20

** Columbia Kolsch Brand Ale- A smooth, soft bodied, golden ale. Lightly fruity with a pleasing dry finish. Styled after the Kölsch beers of Germany.*

OG 1.048 ABV 5.0% IBUs 20

** EZ Livin' Pale Ale- A citrusy twist on a Pale Ale. All the flavor comes from generous kettle hop additions and dry-hopping.*

OG 1.054 ABV 5.6% IBUs 60

** Sternwheeler Stout- This dark, almost black beer gets its deep rich mocha taste from roasted barley, chocolate and black patent malts combined with Northwest two-row barley. This ale is mildly hopped with Cascade, Centennial and Willamette hops. If you like stouts you'll love this one and if you don't like stouts this one could change your mind!*

OG 1.059 ABV 5.9% IBUs 30

***Hefeweizen- A golden, unfiltered wheat beer with a hint of clove and banana.*

OG 1.048 ABV 5.1% IBUs 12

Ice Harbor Recommendations- As a rule of thumb we recommend one serving of beer for every guest. This is based on average consumption as well as alternatives to beer being offered. If you think your guests will consume more beer than average you can figure higher. It is also recommended that about 50% of your beer be a lighter beer like Kolsch, Lighthouse Lager, or Hefeweizen. The rest of your beer can be split between others. Stout is a beer that might be your favorite beer but is almost every brewery’s slowest seller. If you absolutely have to have stout at your event getting a case will probably be the best way to go.

Ice Harbor Root Beer- We offer Root Beer in 5 gallon soda kegs for \$65. These require CO2 to dispense. We offer the rental CO2 with a simple picnic tap setup for \$25. We also offer jockeybox rentals, to dispense root beer , for \$100.

Jockeybox Rentals- We offer rentals on 1,2,3, and 4 head jockeyboxes. The rental price is \$100 for your event. This includes CO2 , the use of buckets for keeping your beer on ice, and drip buckets. If you don’t want to rent a jockey box we offer free use of hand pump picnic taps with keg purchase.

Plastic Disposable Cups- We offer sleeves of 50 -12 oz cups for \$8/sleeve.

Ice– We offer 20lb bags of Ice for \$7.00/bag.
